# PROGRAM

## ACADEMIC PROCESSION

### FLAG BEARERS

**Bryant University Army ROTC Color Guard**

### CLASS FLAG

Bryant University extends its gratitude to the late George J. Kelley '39, '69H, Honorary Trustee Emeritus, for his generosity in providing ongoing financial support for the purchase and display of a graduating class flag. The 2009 Class Flag was designed by seniors from the Student Alumni Association – Hannah Jorgensen, Anne Koskey-Wagoner, Matthew Moore, Joseph Pelletier, and Hassan Zawawi.

The 2009 Class Flag represents three themes that the class was privileged to experience during their four years at Bryant. These themes exhibit highly unique attributes of Bryant University with special consideration towards Division I athletics, the growth of international programs, and the continued success the students display in their personal and professional lives. "The World Will Be Mine in 2009" is the statement that has followed them through the last four years and encourages the Class of 2009 to seek new opportunities and, upon graduation, to enter the world prepared to make an impact.

Lawrence “Larry” Lucchino, President/CEO of the Boston Red Sox, will deliver the keynote address at Undergraduate Commencement. Lucchino manages the franchise on a day-to-day basis with the active involvement of, and in collaboration with, Principal Owner John W. Henry and Chairman Tom Werner. A 30-year veteran of Major League Baseball, Lucchino has served in a variety of capacities with three franchises – the Baltimore Orioles, San Diego Padres, and Boston Red Sox. He has served in the role of president/CEO with each team, and earned a ring with every club, including two that represent World Series titles with the Red Sox in 2004 and 2007. He has been a key driver in the creation of ballparks that have transformed the venue’s role in the fan experience, and influenced franchise value and place in the community at Oriole Park at Camden Yards in Baltimore, Md.; Petco Park in San Diego, Calif.; and the successful and well-received infrastructure innovations and improvements at Fenway Park, *America’s Most Beloved Ballpark*. Under his leadership, each franchise has also reinvigorated its philanthropy and community relations to ensure all fans feel welcome. Today, the Red Sox Foundation, which has distributed more than \$30 million in grants, is the largest team charity in Major League Baseball.

A Pittsburgh native, Lucchino graduated with honors from Princeton University, where he was a part of two Ivy League Championship basketball teams, and received a Juris Doctor degree from Yale Law School. Prior to joining the Orioles in 1979, he was a partner at Williams and Connolly, a D.C.-based law firm founded by his mentor and friend, Edward Bennett Williams, and was vice president/general counsel of the Washington Redskins.

### **Malcolm G. Chace III**

#### ***Honorary Doctor of Business Administration***

Malcolm G. "Kim" Chace is chairman of BankRI, a leader among full-service banks in Rhode Island. Chace's ancestor, Oliver Chace, founded the textile mill Berkshire in 1806 in Providence. His father, Malcolm Chace Jr., Berkshire president, oversaw the merger with Hathaway in 1955. The takeover was completed in 1965, and the last mill closed in the mid-1970s. Chace serves as a director of many companies and organizations. He was a member of Bryant's Board of Trustees from 1999-2008 and served as vice chair of the Campaign for Bryant Steering Committee. The Bryant University Wellness and Athletic Center is named for Elizabeth and Malcolm Chace. She began her distinguished career taking photographs of buildings and worked as a freelance photographer in Boston; New York City; Minneapolis, Minn.; and Scranton, Penn., from 1962-1970. Her first painting was purchased by *The New Yorker* magazine in 1974, and 58 paintings were used as covers over a 20-year period. She is best known for her distinctive views of New England architecture. Simpson is the recipient of several prestigious commissions, including assignments from *Bostonian*, *The Atlantic Monthly*, Absolut Vodka, and Kirin-Seagram Company. #### THE HARRIET E. JACOBS MEMORIAL MACE

The University Mace is carried at Commencement exercises and at other University celebrations. Crowned in gold, the mace has two dominant emblems: the seal of the State of Rhode Island and the seal of Bryant University.

#### THE PRESIDENT'S CHAIR

The President's Chair, a gift to the University from Priscilla Angelo and her husband, John Eng-Wong, is used on ceremonial occasions. It is a Victorian-style gent's chair rendered in walnut and copied from an original French design from the period of the University's founding in 1863. The carved crest top includes the Bryant University bronze seal.

#### BRYANT MEDALLION

The Bryant Medallion is worn by the president during academic ceremonies such as Commencement, Convocation, and the bestowing of honorary degrees. One side of the medallion bears a likeness of the University seal, the other, the names of all Bryant University presidents. The formal installation of a president is marked by the presentation of the medallion to the president by the chair of the Board of Trustees.

#### THE BRYANT SEAL

The Bryant Seal represents the educational mission of the University and its worldwide implications. The central symbol is an ellipsoid globe with quills on each side to signify the traditional emblem of communication in business. In the center, behind the globe, is a torch symbolizing liberty, the spirit of free inquiry, academic freedom, and learning. The Archway, forming the background for the globe, torch, and quills, is a University landmark affectionately remembered by thousands of alumni. The Latin motto expresses the purpose of the University: "*Cognitio. Virtus. Successus.*" – Knowledge. Character. Success.

## ALUMNI CHARGE

Today, as you celebrate your graduation from Bryant University, you find yourself saying goodbye to the classmates, faculty, and staff with whom you have formed close friendships over these last few years. Graduation, however, is not so much an ending as a transition.

It's true that you're about to begin a new stage of life, but as a Bryant University alumnus/a, you are never far from the community you've come to know as a home away from home.

In fact, one of the reasons you chose Bryant was for its close-knit community. Through the Bryant University Alumni Association, you will always be a member of this community. You can stay in touch with friends by attending class reunions, regional alumni network events, and by signing on to the alumni online directory. And just as Bryant provided you with a solid foundation for a successful career, our alumni networks continue to support your professional goals.

As a Bryant student, you participated in academic, athletic, and civic events that not only provided you with many skills but also gave you a sense of satisfaction as well. As a Bryant graduate, you can stay involved by serving on University committees, advisory councils, and even the Board of Trustees. You can advance Bryant's reputation by getting involved with admission, career services, educational, and fundraising initiatives. And, throughout the year, Bryant alumni gather together to reach out to their communities through a number of volunteer programs.

Just as the Bryant community shared in the celebration of your accomplishments as a student, we will always be interested to hear of your successes. Let us know when you've moved, and what milestones you've reached so we can share your good news with your Bryant classmates and friends.

Congratulations on your graduation, and welcome to the Bryant University Alumni Association!

## ACADEMIC HERALDRY

The history of academic dress worn today dates back to the universities of the Middle Ages. A statute in 1321 required the wearing of gowns by all scholars and clerics. Probably, the warm gown and hood were practical in the unheated buildings.

Students at most American universities wore caps and gowns daily while in residence until after the Civil War. These varied in design until they were standardized by the American Intercollegiate Commission in 1895. While the academic costume code has been modified over the years, the general characteristics of the initial requirements still prevail. The uniform system of academic heraldry serves to indicate the level of degree, the field of study in which it was earned, and the institution by which it was granted. The gown for the bachelor's degree has pointed sleeves and is designed to be worn closed. The gown for the master's degree has an oblong sleeve and can be worn open or closed. The gown for the doctoral degree has bell-shaped sleeves with black velvet facing down the front and three bars of the same across the sleeves. However, these facings and crossbars may be in the color distinctive of the subject to which the degree pertains. At Bryant University, the president and the honorary degree recipients wear gowns specially designed and trimmed in the University color of gold.

The academic hoods are lined with the color of the university granting the degree. The length of the hood varies slightly for bachelor's, master's, and doctoral degrees. It is often the tradition of the candidates for degrees to wear the mortarboard tassel on the right front side before the degree is conferred and to shift it to the left when the degree is awarded.
